Dear [Redacted]

25X1

I have just finished talking to Mr. David Popper in the Division of United Nations Political Affairs, Department of State. He inquired as to whether or not it would be possible for us to prepare and furnish to our delegation to the United Nations General Assembly which is meeting in Paris beginning in September special roundups of radio broadcasts. I advised him that we are prepared to furnish this service, and a formal request with more specific guidance will be forthcoming.

Sincerely,

L. K. White
